This Month In Focus

Volunteers wanted for London Region's Charitable Projects

CAFE ART RPS London runs a photography mentoring group for Café Art, an organisation which, through art and photography, helps people affected by homelessness.

Opportunities exist for people to assist with the **Cafe Art** Mentoring Programme as well as the annual "Calendar" programme.

KICK-IT-OUT is an organisation which enables, facilitates and works with the football authorities, professional clubs, fans and communities to tackle all forms of discrimination.

Why not apply to join the pool of photographers who photograph **Kick-it-Out events** for their advertising and awareness campaigns?

Any interest in the above, please contact Judy Hicks at <http://londonro2@rps.org> in the first place.
