AGM & CELEBRATING LONDON

The AGM was held on Wednesday 24th when the RO & Treasurer reports were delivered and agreed. The ROs triumvirate remains effectively the same with some role switching: Judy is now sole RO, Lorraine continues as Deputy RO with special responsibility for Distinctions and Neil has officially taken on the role of Treasurer with continuing responsibility for Cafe Art. The reason for Neil's change of role is that he has moved out of London and continuing as Co-RO under those circumstances is not realistic. Minutes and reports will be posted on the website in due course.

The necessary formalities of the AGM having been concluded, discussions of Phase II of the Celebrating London Project were much more interesting! The highlight of the evening was a presentation from Chris Steele-Perkins, when he showed us some of his images and gave us ideas, hints and tips for photographing festivals and festivities in the street. The new website is about to go live and you will receive information on this very soon, together with a distillation of Chris's talk.
