

# One day Beginners SLR Digital Photography

For those with an SLR digital camera who wish to learn more about composition, creative picture taking, F-stops, shutter speeds and ISO settings.

Please note that this course is specifically designed for SLR cameras, however should you wish to use a compact digital camera then please contact [john@omniproductions.co.uk](mailto:john@omniproductions.co.uk)

**Venue: The Royal Photographic Society**

**Time: SAT 10am – 5pm**

**Cost: £85**

## Digital Photography

Experiment with and investigate the more complex functions of your digital camera with help from a professional tutor.

Here you will gain experience with F-stops, shutter speeds, ISO settings, digital image types, metering modes, depth of field and basic composition.

## Out and About

Transfer your developed knowledge into hands-on practise as you go out and about in Bath, photographing with your tutor.

## Back at The Royal Photographic Society HQ

With the use of a projector, your images will be reviewed and discussed within the group and the tutor will give feedback and advice.

## Course Requirements

Delegates should have a basic knowledge of the fundamentals of their camera and a good understanding of Microsoft Windows.

## What to bring

Digital camera, your camera manual, USB lead or USB card reader and a CD-R for your notes. Please empty your cameras memory card before attending the course.

Bring a packed lunch or use local facilities. Drinks provided. You will need to have appropriate clothing for walking and weather conditions.

The above course will be certificated.
