*The Year's Photography*, published by The Society between 1928-60, reflected trends within The Society and was well respected. It was the policy to invite an eminent member of The Society to be its Editor, and I was honoured to be asked by Council to be Editor of *Portfolio ONE*.

Following its success, I am delighted that Council asked me to remain as Editor for *Portfolio TWO*. I would like to thank Project Manager Harry Ricketts HonFRPS, and the Editorial Team, which comprised: Derek Birch ASIS FRPS, Mike Hallett FRPS, Monica Weller ARPS, Rosemary Wilman HonFRPS, and designer Roy Platten, for their sterling efforts in producing this handsome publication, which reflects the eminence of The Society.

Members looking for a product they will be proud to own, and a wonderful record of their Society, are asked to show support for this exciting venture through pre-purchase of *Portfolio TWO*.

We now expect that the *Portfolio* series will become a regular Society publication. You have an opportunity, while stocks last, to ensure that your collection is complete, and order one copy of *Portfolio ONE* for £15 with your pre-order copy/ies of *Portfolio TWO*, with no additional p&p. This offer is open to all, and may also be found at [www.rps.org](http://www.rps.org) for the duration of the offer.

To benefit from the special pre-publication price of £25 + p&p, orders must be received by 7 Sept, after which the price will be £30 + p&p. All members with an image included will be notified prior to publication: those with images in the *Members' Gallery* will receive a complimentary copy; those with images in other sections may purchase one at 50% discount (£15) - see overleaf. Buy others for your family and friends for Christmas!
