

Digital Imaging Group Eastern Centre

Meeting on Sunday 10th June 2012

A Creative Day with Irene Froy EFIAP, MPAGB, Hon PAGB, BPE4

In recent years Irene has concentrated on interpreting the landscape and villages of France, using delicate colour and soft images to convey the mood.

In her last season's lecture she featured trips to the Hebrides and Cairngorms in 2010 as well as her latest trip to France. The next one will feature autumn in Scotland 2011 plus other images from England and France the working title is 'Dawn till Dusk' and it will be ready for the 2012/13 season.

There is a compulsion to take and show pictures and although Irene appreciates all types of photography, her main interest is in landscape. Irene is at her happiest in the countryside with her camera and her tripod.

She was awarded her Fellowship of the Royal Photographic Society in April 1994 in the Visual Arts - Pictorial category.

In March 1997 she was invited to membership of the London Salon of Photography. She gained EFIAP (Excellence de la Federation International d'Art Photographique) in 2000 and she attained her MPAGB in April 2007.

Make this your chance to hear Irene Froy and to see her superb work.
